“ *Lovely Priscilla,*

She was loving, kind, generous, helpful, calm, fun to visit with and smiled sweetly. When I visited her she made me feel welcome in her home. I am saddened that she had to leave this world. It seems like a more lonely place with a good spirited lady like her not here any longer. I know she was a wonderful mother because her children all turned out to be like her sweet, kind, gentle, generous, good natured loving people. I am grateful that I knew her and was able to visit her with Nancy last spring.

“ Seeing that Priscilla's birthday was 9/10 reminded me that because my mom's birthday was 9/13, she and "Pir" as my mom always called her, would always make it a point to acknowledge each others birthday. Sometimes it was just a card or phone call, sometimes it was a visit.

And yes she could sew!! Many a time she helped my mom design the patterns for my dance costumes.

A very nice lady and lots of fun she was. I have nothing but good memories of her and her family.

“ I'm very sorry to hear of Priscilla's passing. When I was a teenager, her son Chuck and I were like brothers. I spent from the time school was out to 9pm at their house, only going home when my mother would call. It wasn't until I was older that I realized how intrusive I was on their privacy. She was always gracious. --Al Cratty
