“ I go to Cevene for physical therapy and always looked forward to talking to Gina. Over the phone she knew who I was before I even said my name, and she was always so friendly and helpful! I am absolutely shocked to hear that this happened, and my thoughts and prayers go out to Gina, her family, and everyone at Cevene.

“ To the Freemans and Perrys... though there were only a handful of times that I spent with Gina and her family during one of the Morrison/Freeman outings, I can say that I was truly blessed to have met such a wonderful and caring woman. To Gina's family and friends, I am so sorry for your loss and hope that you find comfort in the many memories of her that will always be in your heart. Keeping you all in my thoughts and prayers.

“ I am so glad that I got the chance to meet Gina, even if it was just once. To show just how sweet and friendly she was, we have been Facebook friends since that day at the zoo! I enjoyed talking with her! She always seemed so happy. My thoughts and prayers are with the entire family as they try to wrap their heads around "why?". I pray for their faith in the heavenly Father and find peace.

Gina's smile was the first thing to greet me as I entered the clinic she so tirelessly worked with. Always ready to help, always kind, just learned of her death today and it was such a shock. I am so sorry for such a tragic loss for her family and friends.

“ She was my sister-in-law and a great friend. She always gave me shopping tips and was there through my first pregnancy. She was the person I turned to with questions. She would always call when she saw the best deals of formula and diapers. She taught me so much. Her smile and her love for her nephew will always be remembered. Levi will grow up knowing his Aunt Gina spoiled him as much as she could. She was always buying something for him, as she knew how to find the best deals ever. I am anxious to see her again! I love you and miss you, Gina!!

“ We met Gina through Joe and the ham radio community. We remember her using her handy talky at the store talking to Joe to be sure she got the right item he wanted. It was so cute. It appears that God had a greater calling for her and she is with him now. Our condolences to Joe and his sweet children and his entire family for their loss. You are all in our prayers.

“ Gina's smile is what I will always remember and miss. No matter what the situation she could always come out with a smile. A good person left this earth too early, I just hope that where she is now, everyone appreciates that smile. My condolences to Joe and the entire family. She will be missed.
