“ *My dearest brother,
How I wish you could be here to see what an amazing boy you have made in this world. He has become a man and is so loving and caring. My only peace is to know you longer have to fear or feel the pain of your life's misfortunes that only you and I only know. I love you brother and always will miss and long to hear your voice. One day. Your only sister that loved you. Stacy Hill-Bratlien*
