“ *May you be at peace
May your soul be free
May your heart beat steady now
May your smile brighten heavens
May your laugh boom like thunder across the sky
May you and your son embrace once again
May you rest upon the clouds
May you see the sun set and rise everyday
May you gaze down upon your children and smile proudly
May you grin knowing your great grandchildren love you always
May you look upon your one and only sending love
May you always be with her and kiss goodnight
We will love and miss you always
Until we all meet again
May you rest in peace.*
