“ Linda, So sorry to hear of your loss. I remember the many times Bob, Tom King and I would go out for coffee after 2nd shift. After we retired we worked in the repair crib together for Chrysler suppliers. He will be greatly missed. He was a good supervisor but more important a good friend. Ken Paul

“ My mother got rid of our TV as she wanted my brothers and I to be more cultured. When my Uncle Larry found out that we didn't have a TV, he came to the rescue! We were so pitiful, we couldn't watch Batman like the rest of the kids.

He was my "cool uncle". All the rest were, well, old. He was in the Army, in Hawaii, now that is cool. He didn't listen to country western music, he listened to the good stuff on WLS Chicago. He loved my dad, and I loved him for that. I really liked his girl friend, Linda. She was so much fun, and full of laughs. He got a true sparkling gem with her. I have grown to love her so much. I choose to remember the good times, and trust God and His goodness, for He does all things well.

“ To the family of Bob Taylor, He will be greatly missed. When he went to the ymca, he would sneak up behind you and splash you, then he would try to look innocent. Linda and Bob and myself had a lot of fun at the ymca senior class. He was always polite and nice to me, so he will be greatly missed. Love and care to the family
Dorothy Brommerich

He loved you Dorothy! You touched him with your sweet up-beat self! I couldn't see anyone not loving your sweet, giving personality! The reactions he would get from you would please his heart and make him want to pick on you just that much more! Those little kind of things I will greatly miss about him Dorothy! Thank-you for sharing! Polly-Taylor-Quinn

“ *Best times I had with my father were him telling his funny stories and going fishing! I loved my father very much! Me, my mother and my aunt were able to spend his last 12 hours with him...Thankful to God for that*
