“ Sandy, I owe a lot to you for awakening a talent in me and passion I did not know existed. You gave me the basics I needed in flower arranging and shared so much knowledge. You encouraged me to explore that gift . Flowers and gardening are my life blood . I will miss you ! I am sorry we are up north with family and will miss your services, but I promise I will forgo my normal black “slimming “ wardrobe on Sat for the brightest colors I can find in my closet ! R.I.P pain free my friend . Until we meet again xoxo ...Rocky
