“ To the Lood and Anderas family we extend our deepest sympathies on the loss of your wonderful mother Verona. May you be comforted today as you reflect on her well lived life.

She was a true example of a Godly woman who loved the Lord , her family and others. It was in her home many years ago in Morton Grove that I had my first glimpse of what a Christian wife and mother was like. I was new Christian and had never seen this before, Her example of joyfully loving her family and opening her home to others has had a lasting impression on me.

Over the years Verona and Roland were always supportive and encouraging to Christer and I . We will always be thankful for this gift of friendship. if we happened to be in Rockford and saw her she would always say, "can you stay for coffee"? and then proceeded to treat us to good coffee and delicious treats served with her kind smile and warm heart She always make me feel loved and this is the memory of Verona I will always cherish.
