

Wendy Joy Nutter Young

October 7, 1952 - February 22, 2022

Wendy Joy Nutter Young, 69, of Roscoe passed away peacefully in her home, surrounded by her adoring husband and three loving daughters on February 22, 2022. Born October 7, 1952 in Anoka, MN; daughter of Arnold and Carol (Rehbein) Nutter. Graduate of Forest Lake High School, class of 1970. In a ceremony reflective of their shared love of kayaking, Wendy was canoed down the Wolf River on June 6, 1981 in Fremont, WI where she married Fred at the river's edge. Wendy obtained her BA in Economics and MBA from Rockford University. Her three daughters were her greatest joy and she treasured being able to stay home and rear them. Wendy's girls, along with their families, brought her immense joy. She was a devoted and treasured Oma to her grandchildren. She was involved in the community, serving on multiple boards over the course of her lifetime including the American Gear Manufacturers Association, Rockford Symphony Orchestra, Stateline YMCA, and as an Executive Committee Member for the Rock Valley College Foundation. Wendy worked alongside her husband at the company founded by his parents, Forest City Gear, located in Roscoe, IL, and was CEO & President of the company for nearly ten years. Wendy's leadership was an integral part of the growth and expansion of the company. She was named the Individual Business Catalyst of the Year in 2021-a prestigious award from the Rockford Chamber of Commerce. In 2022, she was selected to receive the AGMA's Chairman's Award as someone who has contributed in a meaningful way to the gear industry. In her younger years she was a gifted kayaker and

outdoor enthusiast. She enjoyed attending Rockford Symphony Orchestra performances, creating beautiful and memorable holiday celebrations for her family and employees, and spending peaceful weekends at their lake home in Wisconsin. “ Hello Fred,
My sincere condolences to you and your family. Loss of a loved one is so painful as I understand this firsthand when I lost my daughter 5 years ago at age 30 to her battle with Cystic Fibrosis. Carry on and share your good memories with those you know, that is the biggest tribute we can give to our lost loved ones.

Respectfully,

“ In 1997 when my son Mike was in the hospital and rehabilitation facilities for a brain injury Wendy (and Fred) kept Merrie for many many days and nights, treating her like their own so I could be with Mike. Never will I forget that.

“ Ted and Donna Weskamp and family are sending so much love to your family now. Wendy was such a beautiful person, heart and soul. She absolutely kept my parents (Ted and Donna) up to date with her life, and they have so enjoyed that. They are stunned and saddened, but please know we are praying for you all and know her joy will shine through her family she so dearly loved.

“ So many memories from coffee after children were dropped off at school, wine with friends around the fire pit, carpooling to drop off the children at church on Wednesday nights, an occasional stop at Baker's Square to sneak a piece of cream pie, playing Balderdash, accidentally locking keys in the car. So many memories and thinking how Wendy's middle name "Joy" was so appropriate for her personality and how she would spread joy. Thoughts and prayers of comfort to Fred, Appy, Kika, Mindy and her grandchildren.

“ *Appy, upon reading your mother’s obituary I can see where you got many of your remarkable qualities. Losing a mother is one of life’s most difficult events, and I send you prayers for acceptance, comfort, strength and healing. Your mom will always be right there, as close as your breath, whenever you think of her. So you will never lose her. You will miss her but you will feel her presence. Remember that when someone we love dies, it is but a brief parting. Until you are with her again may God and your angels hold you and carry you onward. It’s surely what your mother would want for her family because of her deep love for you all. Take care and be comforted by the knowing that you gave her so much love.*
